

VAISHNAVI DHOPADEV

FRONTEND DEVELOPER

OBJECTIVE

"Motivated and passionate Frontend Developer seeking an opportunity to apply my skills in HTML, CSS, and JavaScript to create responsive and user-friendly websites. Eager to learn from industry professionals, contribute to real-world projects, and continuously improve my technical abilities."

EXPERIENCE

HACKATHON EXPERIENCE |

2024- PRESENT

I have participated in multiple hackathons where I gained hands-on experience by developing solutions for real-world challenges. I received the **Best Girl Team Award** for creating an innovative project during a 24-hour hackathon. These experiences strengthened my teamwork, problem-solving, and time-management skills, while helping me adapt quickly to new technologies in fast-paced and competitive environments.

PRESENTATION

Participated in presentation competitions, demonstrating strong communication, idea representation, and confidence in delivering content effectively to an audience. Gained experience in presenting technical concepts clearly and engagingly.

PROJECT

An AI-based system that predicts food demand, manages inventory efficiently, and connects surplus food to the right communities.
